Installation and Use Instructions for LED Christmas lights

Thank you for shopping from LEDcentre.uk.com.

These instructions are for your safety. Please read through them thoroughly before use and retain for future reference.

If you are in any doubt about installing this product, consult a qualified electrician.

Product features of LED Christmas Lights:

- indoor light (not waterproof)
- 8 metres of clear wire
- 80 LED lights
- Operates at mains voltage: 220-230V
- Cool running light, can be placed on textile.
- Effects are selected with control button.
- Bulbs are non-replaceable in the light.

Safety instructions:

- Keep away from reach of children and pets (the lights run at mains)
- Always position cables and extension leads so that they will not be a hazard to the elderly, pets and children.
- Do not cover the lights with other items (eg. curtains, nets or bedding).
- This product is not designed for permanent or long term use.
- Do not connect the chain electrically to another chain.
- Never allow any part of the set to come into contact with a source of heat or flame.
- Take care not to damage the cable or fittings.
- If part of light set or cable is damaged, the light set must be destroyed.
- This product is for use as a decoration only, not as children's toy. Keep out of children's reach.
- Always switch off the lights overnight or if unattended.
- Do not overload the power sockets or extension leads.
- Do not pierce the cable when fixing, bend or stand on the light chain, as this will damage the bulbs and is dangerous.

Disposal and recycling:

- Waste electrical products should not be disposed of with household waste.
- If you wish to recycle the product, we are happy to help you with that. LEDcentre offers its clients to handle the disposal of the replaces bulbs of any kind. If you wish to use this service, just send us the unwanted light bulbs to our physical address, and we will take care of your waste. Our address is: Ground Floor, 17 Bowater Road, London, SE18 5TF

The LEDcentre does not take any responsibilities for personal injuries or damage of the goods caused by incorrect installation.
